Product Specification Sheet

Targus 15" Getta Backpack

Part #: TLB004US

Product Description:

The Targus Getta Backpack features side-loading access to the padded notebook sleeve designed to fit notebooks with up to 15" screens. The interior workstation includes pockets for your cell phone/PDA, business cards and pens. The case also includes two front pockets with magnetic closures, key clip, a mesh zippered compartment for storage and padded straps and back panel for ergonomic comfort and air ventilation. The light colored interior lining allows for easy visibility of accessories. While the drawstring closure and large main compartment are perfect for the over packer.
